DISCLOSURE STATEMENT KOREA SHIPPERS LIST

The California Citrus Quality Council (CCQC) is providing a voluntary service in developing a shipper's list for use in the export of citrus fruit to Korea. The Council will use reasonable efforts to develop such list; however, the Council is not responsible for the information contained in such list, including any errors or omissions in such a list, or for the subsequent use of such list. Consequently, the shipper providing information to the Council recognizes and agrees that the Council shall not be liable for any costs or damages that might occur associated with the Council providing this voluntary service.

The California Citrus Quality Council will, on a cost recovery basis, bill each packinghouse for expenses for the Korea Septoria NAVEK program.
